This seminar’s focus was to explain that employers can expect some dramatic shifts in 2017 and the potential effects on employment laws.</li> <li>• On 04/25/17, our Human Resources Director attended a seminar sponsored by the Chamber of Medford/Jackson County, entitled, “Your Good Deeds Should Go Unpunished: A Primer in Employment Benefits Compliance: Employment Law Series – Part 2”. This seminar was an up-to-the-minute discussion of all things employee benefits.</li> </ul>
2	Events or programs sponsored by a community organization relating to career opportunities in broadcasting.	On 03/04/2017, our News Producer spoke to approximately 20 adults at a workshop called "Marketing for Creatives" at Circuit Youth in Ashland, OR. She spoke about how to communicate with journalists about creative projects and events in order to make it easy for reporters to cover them -- and in turn boost the likelihood of getting on air. She included topics such as best practices for sending out information and also how to think like a news producer in order to best present why a project would make a good news story.
3	Events or programs sponsored by educational institutions relating to career opportunities in broadcasting (2).	<p>On Monday, 04/17/17, our Owner/President and General Manager/Vice President spoke to a business class at Southern Oregon University. They discussed the various aspects of working at a television station, the challenges, the business model and the importance that social media plays. There were 18 students in attendance and they provided great feedback about how we can increase our audience with young viewers, such as YouTube Live, Snapchat, and Instagram.</p> <p>Three of the students from the class visited KOBI on 04/27/17 for a tour and to watch the production of the 5pm Newscast.</p>
4	Events or programs sponsored by educational institutions relating to career opportunities in broadcasting.	On 06/05/17, our News Producer spoke to an Advanced Editing class of approximately 20-25 students at Southern Oregon University. She spoke about her background in film and print, but spent the majority of her time speaking about her time at KOBI. She discussed newsroom workflow, showed how a rundown is put together, broke down how a package is put together, explained some terminology (VO’s/VOSOT’s/packages, etc.), and talked about how news editing is different from film editing. She also talked to the class about how to find news jobs, improve their chances for getting hired and soft skills for being successful.

	TYPE OF RECRUITMENT INITIATIVE	BRIEF DESCRIPTION OF ACTIVITY
5	Training programs designed to enable station personnel to acquire skills that could qualify them for higher level positions.	Between June 20-22, 2017, our General Manager and Creative Services Director attended the Promax BDA Station Summit, the largest gathering of the local broadcast marketing community and attended sessions to learn about social media innovations, maximizing viewership, and demographic changes in multi-media platform users.
6	Internship Program.	<p>Our SEU regularly offers an internship program to local students, allowing them to work closely with staff to learn the "behind-the-scenes" functioning of a broadcast station. During the programs, our interns shadow SEU staff, participating in news gathering, editing, story writing, camera operating, and on-air broadcasts. They also have the opportunity to seek career advice and ask questions related to jobs in broadcasting. During this reporting period, our SEU hosted three students from the following schools:</p> <ul style="list-style-type: none"> <li>▶ Crater Renaissance Academy, News Dept., Sept. 8, 2016 – Jan. 19, 2017</li> <li>▶ Crater Academy of Health &amp; Public Services, News Dept., Dec. 7, 2016 – Apr. 15, 2017</li> <li>▶ South Medford High School, News Dept., July 24-28 2017</li> </ul>
